Certificate of Compliance

We hereby declare that the technical file of product complied with the requirement of directive Medical Device Regulation - (Council Regulation 2017/745) and (98/79/EC) In-Vitro Diagnostic Devices Directive.

Manufacturer:

NAME : TOP MEDICALS

ADDRESS: 01, SARSWA, ROORKEE ROAD, DAURALA SUGAR MILLS, DAURALA,
MEERUT, UTTAR PRADESH -250221 (INDIA)

PRODUCTS : MANUFACTURER, SUPPLIER, IMPORTER AND EXPORTER OF PHYSIOTHERAPY EQUIPMENT'S,
REHABILITATION EQUIPMENT'S, OCCUPATIONAL EQUIPMENT'S, SURGICAL EQUIPMENT'S,
FITNESS EQUIPMENT'S AND BEAUTY CARE EQUIPMENT'S

Complies with the requirements applicable to it

The quality system file has been assessed, approved and is subject to continuous surveillance according to directive on Medical Device Regulation -(Council Regulation 2017/745)

This certificate is issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions or the quality systems are not changed.
3. The certificate validity is conditioned by positive results or surveillance audits.
4. After fulfilling the relevant EU legislation requirements in the medical directive, the manufacturer shall affix the CE marking to each device of the above referenced models.
5. The CE mark as shown above can be used, under the responsibility of the manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant EC Directives. The statement is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production

Statements:

This Certificate declares that the products type I model described above complies with the mentioned above European Standard(s)

Remarks:

This certificate of complies is based on the evaluation of a sample of the above mentioned products. It does not imply and assessment of the mass-production of the product. This certificate holder may use this certificate in connection with the test report. The certification body should be informed (revision of technical file) for any modification or alterations made to the aforementioned product type(s), including design and manufacture and for extension to the existing scope of application

Certification No: UK-ARCT-26-144122506

Date of Initial Registration:

20/JULY/2026

1st Surveillance Audit Due:

19/JULY/2027

2nd Surveillance Audit Due:

19/JULY/2028

Re-certification Due:

19/JULY/2029
